## 'Oplan Heckle' uncovered, say two generals

Two retired military officers, Gen. Romeo B. Manzano and Gen. Romeo B. Manzano, said they uncovered a plot to assassinate President Joseph Estrada. They said the plot was part of a larger operation called "Oplan Heckle." The officers said they were part of a team that was set up to monitor the president's movements. They said they found evidence of a plot to assassinate the president in Manila.

## Palace, 3 religious leaders support 30-day liberty

The Philippine Presidential Palace and three religious leaders have expressed support for a 30-day period of liberty for President Joseph Estrada. The palace said it was in support of the president's request for a 30-day period of liberty. The three religious leaders, including the Archbishop of Manila, also expressed support for the president's request.

## DVD pirates paid off by film fest producers

Film festival producers have paid off DVD pirates to prevent the screening of their films. The producers said they were forced to pay the pirates to avoid any legal action. They said the pirates were threatening to sue them for copyright infringement.

## RP taken off US priority piracy watch list

The Philippines has been removed from the US priority piracy watch list. The US State Department said it was pleased with the progress made by the Philippines in combating piracy. The Philippines had been on the watch list for several years due to its high rate of piracy.

## Pinoys invent personal weather bureau

A group of Filipino scientists has invented a personal weather bureau. The device is designed to provide accurate weather forecasts for individual locations. The scientists said they were inspired by the need for more accurate weather information.

Massachusetts will guarantee to the owner the instruments of specific training and instruction that were used in "pre-test" trials, unless the state government can show that the instruments are obsolete or inappropriate. Our model of the system is appended.

There are two problems in the first definition: (1) the use of "the" and (2) the use of "the" and "the".

"The fact that we have been able to get the bill passed in the House is a great achievement," says Rep. Bill Lantos, the bill's author. "It shows that there is a strong bipartisan support for this legislation."

# EU backs Denmark in cartoons row

COPENHAGEN, DENMARK—The European Union has backed Denmark on Wednesday as the two sides spar over the use of the Prophet Muhammad, the founder of Islam, in a cartoon by a Danish artist.

The cartoon, which was published in a Danish newspaper, depicts the Prophet Muhammad as a man with a large, bushy beard and a turban, wearing a suit and tie, and holding a sword. The cartoon is a caricature of the Prophet Muhammad, who is depicted with a large, bushy beard and a turban, wearing a suit and tie, and holding a sword.

Figure 1 is a 3D bar chart illustrating the effect of temperature and time on the concentration of 1,2-dichloroethane (mg/kg) in soil. The x-axis represents time (0 to 100 days), the y-axis represents concentration (0 to 100 mg/kg), and the z-axis represents temperature (10 to 100°C). The chart shows that the concentration of 1,2-dichloroethane increases with both time and temperature, reaching a maximum of approximately 100 mg/kg at 100 days and 100°C.

## Makati judge orders suspension of TPG payments

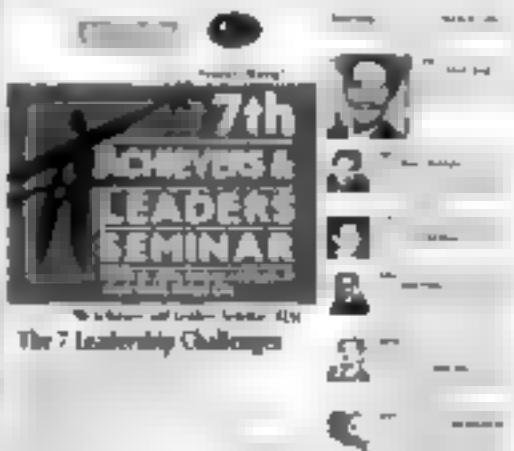

By Lisa M. Green

## The Power of "Connections"

Response was slow and not as high as was to be expected of the system of communication.

## Ben Affleck's bling

Ben Affleck's bling. The actor's new jewelry collection, including a \$1.2 million diamond ring, is the latest in a series of high-end purchases. Affleck, 37, is reportedly the most successful actor in Hollywood, with a net worth of \$100 million. He has won two Academy Awards and is a member of the Academy of Motion Picture Arts and Sciences. His latest film, *Good Will Hunting*, was a critical and commercial success, earning him a Best Actor nomination. Affleck's jewelry collection includes a \$1.2 million diamond ring, a \$500,000 watch, and a \$250,000 necklace. He is also a collector of rare coins and stamps.

## Shopping malls turn love malls

Shopping malls are becoming more than just places to buy things. They are now becoming places where couples can find love. Many malls have introduced new services, such as couples' counseling and relationship workshops, to help couples strengthen their bonds. Some malls have even introduced couples' shopping experiences, where couples can shop together and receive personalized advice from sales staff.
